OUR COMMUNITY IMPACT

ScottMemorial.com

1451 N. Gardner, Scottsburg, Indiana 47170 | 812.752.3456

Scott Memorial Health's mission is simple: Making Communities Healthier®. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for Scott County and the surrounding area and for generations to come. Thank you.

— Martin Padgett, CEO

In 2019, we...

...added 18 providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in family and internal medicines, pediatric heart care, teleradiology and teleneurology, nephrology and surgery.

...made more than \$300,000 in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year, we invested in new surgical instruments, a bike and treadmill for our cardiac rehab unit, a DR plate for radiology services and other facility improvements.

...distributed a payroll of \$10,633,147 to nearly 200 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$5.1 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$2,335,338 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
